

Evaluation of the Full Year 2 Pilot:

- The DPI evaluation of the Full Pilot will include surveys, interviews, focus groups, and observations; it will focus on providing perspectives and best practices from a representative sample of WI districts regarding:
 - Local time and capacity: how much time is required within and across System components, what practices create barriers to capacity, what practices support capacity, how can DPI support capacity.
 - The impact of current systems of support and communications.
 - The role of the Effectiveness Coach: Best practices, challenges, roles, and responsibilities.
